

## SEATING OPTIONS

The Vision™ has a variety of seating options to suit your unique mobility and capacity requirements.

### Driver or Passenger Power Transfer Seat:

An optional transfer seat to the driver or passenger position is available. The transfer seat is available with a vinyl slip cover to ease transfer by reducing friction.

### Middle Row OEM Captain's Chairs:

The optional bucket seats allow the wheelchair user to sit beside other passengers in comfort. Original equipment captain's chairs can be remounted or if more width is needed for wider wheelchairs, we offer a narrower bucket seat.

### Middle Row Smaller Buckets:

Middle row bucket seats allows over 30" of space between the bucket seats for the wheelchair user. The bucket seats are trimmed in fabric, vinyl or leather to blend with the OEM interior colors and patterns.

### Folding Rear Bench:

When folded down, the rear bench adds two more seats behind your wheelchair. When folded up, it allows you to get in and out. To fold the bench up, you simply pull a lever the counterbalanced bench easily hides out of the way.
